

Summer Palace is a portal through time to a peaceful, elegant life infused with ancient philosophy. These traditional and famous scenes illustrate the sublime beauty of nature; people, birds, animals and trees are true to the thousand-year-old works of art from the Song and Tang dynasties. Originally from paintings, embroidered silks, screens and porcelains, these are now exquisitely recreated for decorative wallpaper. Until now, exclusively hand painted, D'ARTS offer these as highly specialised printed designs. These exquisite patterns from the golden age of Chinese culture bring a unique and rich ethnic heritage into today's dwellings.
